Toys have changed a lot over the years.

Some toys you play with now were invented a really long time ago!

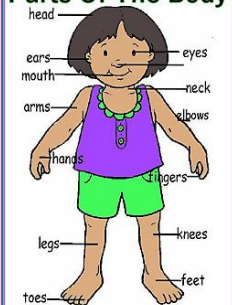

Here is a timeline of when some popular toys were invented.

How about asking your family and grown up friends about their memories? Everyone has stories to tell about their own lives.

## Parts Of The Body

London life in the past...

## Time to celebrate!

<b>Birthdays</b>	When we celebrate being one year older.
<b>Wedding</b>	A ceremony to celebrate 2 people getting married.
<b>Celebrating the birth of a baby</b>	Different religions have different ways to celebrate a new baby arriving into the world.
