## Let's go on a Journey!

What can you see?  
 What can you hear?  
 How will you get there?

## Journeys by road!

What vehicles use roads?  
 What are they used for?  
 Which ones have you travelled in?

## Journeys by air!

Which journeys are made by air?  
 What do we use to travel by air?

## Journeys by rail!

How do trains travel?  
 Are they all the same?  
 Where can they go?  
 How fast do they travel?

## Journeys by water!

Can you name different types of transport that use water?  
 Have you ever been on a boat?

## Journeys in Space!

How can we travel to the moon?  
 What might we see in space?
