All welcome!

SRE

There has been a lot of media attention regarding the teaching of Sex and Relationships Education (SRE) in schools. There will be changes in September 2020, until then we will be continuing with the same lessons we have taught for the past several years. Each year we invite parents to come to a meeting to see the scheme of work we will be teaching. We will again have this meeting and invite parents to come to this.

Please come along to one of the meetings on Tuesday 21st May at 9am, 3pm or 5pm.

Polling Day

The school will be closed on Thursday 23rd May for the European Elections.

Community Iftar

We are excited to let you know about this date for your diary that you won't want to miss!

Parents from both OA Johanna and OA South Bank, as well as members of the wider hub community are organising a great event and we would be delighted if you could join us for our Community Iftar on

Wednesday 29th May, Lower Marsh (between Cubana and Greensmiths)

The whole community is invited - people of all faiths, cultural backgrounds and ages - to join together to share food and time, celebrating our commonalities, our differences, forging human connection and enjoying the diversity and richness of our community. The event will run from 7.30 to 10pm. The evening will begin with the chance to socialise, join in activities, get creative and meet together, with the Iftar feast being served after sunset at 9.04pm. *Children will eat between 8-9pm.*

School Dinners

Please note, after the May half term there will be an increase to school dinners. It will increase to £2.20 per day (£11.00 a week)

Year 1 and Year 2

Please can I ask again that parents stand away from the classroom doors at the beginning and end of the day. All parents would like to have the opportunity to collect their child and speak to the adults. This is hard to do when some parents stand very close to the doors and chat to each other. Thank you for helping us keep children safe.

Year 6 Easter Club

For three days over the Easter break, Year 6 took part in a club that included time to study as well as time to reflect on their journey through school and on to secondary school.

It was a great opportunity to support each other with learning as well as preparing for the challenges ahead, both practical and emotional. Highlights included planning maps for their journeys, practising packing bags and tying ties, completing a photo journey and reflecting on school and the feelings associated with this time of transition to the next stage. All the children worked hard on their studies and worked hard to reflect and support each other.
