Message from the Principal...

A very special birthday today as Simon joins the 60 club. Hard to believe I know; he is the Peter Pan of pedagogy.

It feels as though time is speeding up as I enter my final weeks of headship; I'm trying to savour all the things that makes Johanna so special while preparing a thorough handover to my successor.

This week we were able to get Year 4 back to swimming - with new Covid rules of course. So life is getting more normal. We will be taking children on school trips from after half term too. Hurrah!

I hope that you enjoy the Bank Holiday weekend. I will be seeing my daughter in Hereford for the first time in over a year.

Year 4: Tips for Swimming

- ✓ Wear P.E. Kit to school on Tuesdays
- ✓ Use your school bag (rucksack) or bring a plastic bag to put your clothes in
- ✓ Make sure long hair is tied up in a ponytail
- ✓ Practise changing with a towel around you or buy a hooded poncho towel, if you're shy
- ✓ No flip-flops / sliders allowed - swim socks are allowed

Walk or March into May

Get set… we are starting our walk to school – OR marching into May month next week!

What do you need to do? Can you encourage your child(ren) to take active journeys to school on as many days as possible during the event, and join them on their way?

We would also like to encourage them to do physical activity on as many days as possible as well; so, if they have been to a sports club, or out for a cycle they can log that with us as well! If you bring a scooter to school, it can be stored on site, although there is no room for bikes at present.

Don't forget car sharing is also a green method of transport. I look forward to finding out your travel plans next week!!!

Gardening Club

Calling all keen gardeners! If anyone is willing to help run a gardening club in the school, I will be more than happy to help them.

In addition, if anyone has any seeds, seedling or outdoor plants they wish to donate to help revitalise our quad area we would be so grateful to receive them.

Community Iftar

During Ramadan, Iftar is when, after fasting in daylight hours, the Muslim community observe the tradition of breaking fast at sunset before eating their evening meal. This year, our Community Iftar will look a little different.

A group of Mum's from Oasis have been working hard to plan the free Celebration Packs of goodies, food, ingredients and resources to help us mark Iftar together, with our social bubbles and families.

These will be available to collect from the Hub Coffee House on:

Monday 10th, Tuesday 11th and Wednesday 12th May from 1pm – 3pm.

To find out more and book your Celebration Pack, register:

You are invited to celebrate

Community Iftar

May 10th, 11th & 12th 2021
www.oasiswaterloo.org/iftar

What is Iftar?

Iftar is the daily breaking of fast during the month of Ramadan, when Muslim communities will fast in daylight hours, then pray & eat together after sunset. Iftar is celebrating time together, reflecting and praying, and giving generously to help others.

We can't gather together this year, but we can still find ways to creatively celebrate and support one another. We will be supplying Iftar Celebration Packs - this pack will include craft materials, other fun & creative activities, as well as ingredients and recipes to cook.

What can you do?

Celebrate Iftar in these three ways:

In the community: we will provide materials to help you clean up your area, and make it look smarter and nicer for everyone to enjoy, whether that is litter picking or planting.

For others: make decorations or cards, share your food or even bake goodies to offer your neighbours and friends and brighten their day!

In your home: cook and share food together, help with the washing up (!), have an online call to friends and family to play games, and enjoy getting creative together as you celebrate Iftar.

How can we join in?

1. Sign up for your Celebration Pack: register here www.oasiswaterloo.org/iftar
2. Follow some of the suggested activities to be generous in your community, to others and in your home.
3. Join our online event - details on the website
4. Send us any pictures or videos of what you get up to! Tag @oasiswaterloo on your social media.

Community members can come and collect their FREE celebration packs filled at specific times on Monday 10th, Tuesday 11th or Wednesday 12th May. We'll be in touch to confirm details when you register.

OASIS COMMUNITY FRIDGE
1PM - 3PM

The community fridge pilot will be launched to share food in Waterloo. Any community members can donate and pick up fresh food for free as part of our project to reduce waste and improve our access to healthy food.

The fridge, found at Oasis Playspace located in GMH Park towards the back of the Imperial War Museum, will be open every Friday to cafés, shops and individuals to drop off and collect food.

This is for everyone - if you want to go and swap a beetroot for a carrot you can!

So far Community Fridges have helped thousands of people to:

Access nutritious food

Reduce food waste

Save money

DONATE! Help us get our Community Fridge going by donating items. You can drop them on Fridays, or get in touch for other options.

WE CAN ACCEPT (EXAMPLES)

- Sealed packaged foods
- Cheeses
- Fresh fruit & vegetables
- Table sauces

SHARE YOUR THOUGHTS ON HEALTHCARE IN THE UK!

Impact on Urban Health and The Social Innovation Partnership (TSIP) are working together to understand your views on trust, healthcare and medical scepticism.

What are we doing?
We are now recruiting interview participants to understand why people do or don't trust the healthcare system and medical practitioners.

Who do we need?
We're looking for residents of communities in Lambeth, Southwark and Lewisham aged over 18, who are available to have conversations about their perspectives or experiences with the healthcare system.

We are currently looking people in the Somalian community.

What will you have to do?
Speak to one of our Community Researchers over the phone or online.

How much will you be paid?
Interviewees will receive £20 for an interview

How much time do you need to commit?
1-2 hours on a date of your choice.

AIM HIGH

VIRTUAL ROADSHOW: STEM

An education event for parents hosted by the Right Honourable Stuart Lawrence.

WHAT ARE THE SESSIONS?

The Rt Hon Stuart Lawrence will facilitate questions and discussion with parents around the session's theme: providing career advice, helpful tips and practical advice to support their children in their educational, post-education and professional journeys. These online sessions are for Lambeth parents/carers.

The theme of this session is STEM – science, technology, engineering, and maths. Sir Geoff Palmer, Scotland's first black professor, Mandisa Greene, President of the Royal College of Veterinary Surgeons and Marlon Wilson, an engineer for BT, will be the guest speakers.

Date: Wednesday, 5th May 2021
Time: 6.00PM – 6:45PM
Microsoft Teams Link: Click Here

There will be a Q&A and discussion section as part of each event.

WHY ARE WE DOING THEM?

These events are being run as part of Lambeth School Partnership's Raising the Game initiative. Aim High sessions have been run for Lambeth pupils over the last few years. The Aim High Roadshow was designed to complement the Aim High Videos so that parents can be empowered to support their children's success and achievement.
