Times Table Champions!

Congratulations to all those who have achieved their latest times table badge and are proudly wearing them all on their uniform. Keep up the great mental maths learning!

Dear parents and carers,

We had a poignant assembly on Monday explaining what Remembrance Day is all about, including histories of those from around the world who helped to make our country safe and secure. Our 2 minute thoughtful, respectful silence yesterday was a tribute to the individuals who have been injured or lost their lives in service to others.

Thank you to all parents and carers who have given feedback to school, either talking to me on the gate or sending in an email. We welcome comments and suggestions, please do contact us via info@oasisjohanna.org or speak to Dawn on the gate.

Future Events

Please check the diary dates section of the newsletter - we have added more exciting activities and events on the lead up to Christmas. We will even be having a visit from Aladdin on Monday 6th December and all children will get to experience a full Panto production (oh, no, we're not!). So get practising your best Panto responses in advance.

Oasis Johanna Development Scheme

Please do come along to one of the many public consultation sessions to find out what the proposals are for the development of our site here. We have no formal permissions yet, so there is plenty of time to have our say in what our school and our wider community needs, which the development scheme could consider. Come along and have your say! See page 2 for dates and times.

Have a great weekend,
Dawn, Principal

JFV Tea Towel

Do you want a lasting momento of 2021-22 academic year? These make ideal presents for family, particularly at larger celebrations such as Christmas.

Return the slip on page 4 to ensure your child is represented on the tea towel this year!

JFV Outcomes of Rep Meeting

Our Johanna Family Voice Class Reps met to discuss the important role of JFV which exists to engage parents and carers in the life of the school and our children's education. Our Reps do a great job from ensuring everyone is reminded of upcoming events to feeding back comments and suggestions to school. The main points discussed at the latest meeting were:

- Plan for the year ahead - giving dates well in advance.
- Get more people involved and do some succession planning. Our long-term Chair Bintu has indicated she will stand down shortly. We extend our grateful thanks to her for years of leadership.
- The importance for us to have fathers/male carers involved in school life so ways to include and increase participation.
- Plans for more class events as well as those for Christmas, including the Christmas Grotto!
- We need to have a Fundraising Leader who will help organise events and work with school to ensure money is used within strict controls - this is important for trust and accountability.
- Bring back things we have done in the past, such as our Readathon.
- Encourage parents to go to the coffee morning and other events.

JFV are open to ideas and welcome any suggestions from parents or carers, please speak to your child's class rep.

JFV Christmas Fund

Just like last year, instead of physically handing individual teacher gifts we want to give parents the option of contributing to a collection to give all school staff a gift.

To spread the cost, we have decided to create this page to raise £370 for staff. We would like to raise at least £10 for each member of staff to say Merry Christmas, Happy New Year and a very big THANKYOU.

Consultation for our new building and community facilities

Please join us at one of the sessions below to find out more how we can provide state of the art facilities for our children and our community.

Consultation sessions on the Oasis Johanna Development Scheme

Oasis and Lambeth Council invite you to a consultation session regarding the Oasis Johanna Development Scheme in Waterloo.

We last spoke to you some years ago about the opportunity of creating a joint educational and community facility on the Oasis Academy Johanna site. Within that time, we have been moving forward and we're now excited to bring you the updated indicative plans, ideas, and concepts for discussion. These will be displayed during our four repeated consultation sessions outlined below.

We want to give our children and the whole Waterloo neighbourhood enhanced opportunities for education, training and increased business, through a new 'state-of-the-art' educational facility.

We want to create a 21st Century school, a dedicated SEND Resource Base, as well as a Multi-Use Games Area (which will be available for use to the community outside of the school day). Other facilities to be included are a library and restaurant offering training opportunities to local people. The scheme will also deliver new connections from Baylis Road to Lower Marsh increasing safety and vibrancy, as well as responding to and respecting the wider needs of the Waterloo community.

JFV Grotto

Volunteers needed for the Santa's Grotto

JFV and Santa need your help to ensure Santa's Grotto is a fun, exciting experience for our children.

Are you able to help on Saturday 11th of December at 2.30-5.30pm at the Oasis farm? Or help prepare things in advance? If you would like to volunteer please fill in the form at <https://forms.gle/xcakmqzLQnQIy7EQA>, scan the QR code or talk to your class rep.

Parent's Evening

Don't forget to send in your Parent's Evening slip by **MONDAY 15TH NOVEMBER** so that the teachers can allocate you your preferred time slot.

All families are expected to have an appointment for each child at school. We will do our best to schedule sibling appointments with a 10-20 minute gap between appointments. Appointments will be in your child's classroom and you will have a chance to look through their books before seeing the teacher. Jo and/or Dawn may also be in the meeting where we would like to discuss additional support for your child.

GirlGuiding HubSpace

Looking for an exciting opportunity to take on new challenges, make friends, support our community and learn a huge range of new skills? Join Rainbows or Brownies at our HubSpace.

The fun starts here

Brownies offers girls exciting opportunities to take on new challenges, make brilliant friends and discover the world around them. For girls aged 7 to 10.

Rainbows learn by doing - they get their hands dirty, do sports, arts and crafts, and play games. For girls aged 6 to 7 (6 to 7 in Northern Ireland).

Guides I get to do activities and things I wouldn't normally do and meet new people. For girls aged 10 to 14.

RANGERS In Rangers you'll have exciting opportunities to travel the world, get your voice heard, support your community, and build skills for the future. For young women aged 14 to 18.
