

Oasis Academy Johanna Newsletter

Friday 10th Dec 2021

www.oasisacademyjohanna.org

Christmas has arrived!

We have very much enjoyed this week, with the Christmas Season getting into full swing.

Dear parents and carers,

Children and staff have very much been getting into the festive season this week, with Panto, Christmas Cards and Christmas lunch! We are trying to keep things as normal as possible but sadly the recent surge in Covid-19 has caused us to make the decision to record the nativity and winter concert next week. You will be able to watch the nativity and winter concert via your child's iPad before the end of term.

We have been fortunate so far that we have had very few cases. However, we are mindful that with only one week of school to go before the Christmas holidays, we do not want to have our celebrations spoiled by having to isolate. Therefore, we will be taking even more precautions this week. This means that we are restricting visitors to school, and any that must come to school will now be required to wear a mask. **Please can Parents/Carers avoid coming to the school office and contact us via email or telephone.**

Panto-tastic

Shouts of "oh no it isn't, oh yes it is!", "he's behind you" and a chorus of boo's rang out of the hall as the children watched a superb pantomime version of Dick Whittington on Monday. We were really pleased to still have the Panto, albeit with extra social distancing requirements.

Thank you

I want to say a huge thank you to our amazing staff team who are going above and beyond to cover classes, support each other and ensure stability and fun for our children as we are needing to cover absences. Our staff are fantastic- please take the time to tell them!

One more week to go, let's keep safe and ensure we all have a good Christmas holiday - not long now! Please remember we finish 1.30pm on Friday and arrange to have your child/ren collected promptly.

4 Blue's Lemon Volcanos

This week in our Science Lesson, Blue Class created their own Lemon Volcanos! Our budding scientists investigated chemical reactions by testing what would happen if they mixed food colouring with citric acid inside a lemon. It's safe to say that they got a rather explosive surprise! Special mentions to Oliver, Alex, Praise, David and Ayub who worked super hard to make their Lemon Volcano erupt, they showed great Growth Mindset! Yaqub

Design Winners

5 Indigo class won the Design Development Award from the Open City architecture competition they took part in. Amara and Jannah were at the Architecture in schools award ceremony and receive our prize on behalf of all 5 Indigo.

This was so well deserved after all their hard work - congratulations! Alex

HM Government

FROM 30 NOVEMBER 2021:

YOU MUST WEAR A FACE COVERING WHILST ON THESE PREMISES.

To respond to the threat of the Omicron COVID-19 variant, you must wear face coverings here, unless you are exempt.

Find out more at gov.uk/coronavirus.
