

Oasis Academy Johanna Newsletter

Friday 4th Feb 2022

www.oasisacademyjohanna.org

Dear parents and carers,

Lunchtimes have been brightened up with the addition of our art and board games clubs. Staff and volunteers from Oasis Nurture are running these clubs for us, free of charge. Many children are now asking how they can join - if there are any spare spaces, children will be allowed to join if they have eaten their lunch. Don't worry if you haven't signed up this time - more clubs will be coming after Easter so watch this space for more information of all the exciting opportunities children can have in lunch and after school clubs.

Reporting things to adults

We mentioned in assembly earlier today the importance of children talking to a school adult or parent if they see or hear anything that breaks one of our school rules: READY, RESPECTFUL SAFE. This includes anything written on social media, on iPads and apps including Showbie, in an email or Teams chat. Adults are here to help when things go wrong, or are about to go wrong. Please remind your children to talk to you if they see anything on their iPad at home that breaks our rules and then report it to your class teacher as soon as possible. Please do not delete anything until after a school member of staff has seen it and taken a copy.

Congratulations Leanne, we are so pleased to have you working with Paul as our Assistant Principals. Want to joining our great team? Have a look at the adverts for Teaching Assistants and an Office Assistant on the next page.

Have a lovely weekend,
Dawn, Principal

Twitter: @OasisJohanna

Congratulations on your promotion!

I am very pleased to announce that Leanne interviewed and accepted the post of Assistant Principal here at OAJ. Leanne has been a teacher and member of the school and local community for a good number of years, constantly striving for the very best for pupils, families and staff. She is a real asset to us and her new position in school. She will work alongside Paul and help to further improve community relations and drive school improvement even further. Please join me in congratulating Leanne when you next see her! Dawn

Application Deadline: Friday 18th February 2022

Children's Mental Health

It is children's mental health week next week so we are going to ask children to take photos to represent how they are feeling. We will work as a whole school on this photo project with a gallery put on the website and a selection of the best displayed around the school.

For children in Year 6, they will be able to enter a national competition and may get their photo in a national gallery - have a look at the website here for some inspiration, where you will find many more photos and comments like the ones below:

Hope

This picture reminded me of the word 'hope' because there were brightly coloured buds growing out of all of these rocks and weeds.
