

Oasis Academy Johanna Newsletter

Friday 18th March 2022 www.oasisacademyjohanna.org

Dear parents and carers,

We have been busy, busy busy! Years 1, 3, 5 and 6 have all ventured out of school on trips and experiences. We have been delighted by the arrival of tulips and white bluebells coming into bloom this week. Our school gardeners, led by Kathy, have been busy preparing the ground in our courtyard garden too and Y4 have now planted their broadbeans.

Daffodil Competition

What a beautiful sight seeing rows of daffodils in the corridor, all waiting to be judged by London Children's Flower Society. The judges were very impressed with the plants that came into school. Some were only just showing a shoot poking through the soil whereas others were standing tall and proud. See page 3 for a list of all the entrants and whether they got Gold, Silver or Bronze!

Parents Evening

Don't forget that it is parent's evening next Tuesday and Thursday. All families have got an appointment, please ensure you are on time. Any problems with your given slot, please contact your child's class teacher asap to rearrange. We look forward to seeing you next week.

Have a relaxing weekend.

Y3 London Eye

On Tuesday, Year 3 visited the London Eye, down on the Southbank by the River Thames. They had a fantastic time. Their trip was linked to the work they are doing in their Urban Pioneers topic about London and the book being read to them in their daily magic minutes reading session: The London Eye Mystery by Siobhan Dowd. The children were able to spot various landmarks during their London Eye flight, including: St Paul's Cathedral, The Shard, The Fenchurch Building (Walkie Talkie), Houses of Parliament, Big Ben, the BT Tower, Crystal Palace Transmitting Station and many more!

Nurture Questionnaires due back

You will have got a copy of the Nurture Questionnaire Permission Form in your child's bag this week. Before the official Nurture work can start, they need to complete some initial research as a baseline for the project. This is in the form of a questionnaire for children and adults. Parents/Carers need to give permission for us to do questionnaires with children.

We are the pilot for this new Oasis venture, which if successful, will roll out to other Oasis Academies nationwide. At the end of the pilot, further questionnaires will be sent out so that we can measure the projects success. Please help us to see the impact of Nurture work by completing and sending back the permission forms so that children's views can be collected.

Please get in touch with Megan at Megan.ng@oasisnurture.org if you have any questions.

Online Safety and Gangs

Growing Against Violence (GAV) growingagainstvviolence.org.uk is a charity protecting young people against peer-to-peer violence both on the streets and online. This is the 3rd year we have worked with them and on March 22nd they will be back in school running workshops with our older children.

This year, we have asked them to run an additional parent session, which will take place on Microsoft Teams at 5pm on March 22nd. Through the presentation, he will discuss keeping young people safe online, as well as share information about Gang involvement, what this means and how young people get caught up in them, sometimes without even realising.

You can join in with this either:

- a) At home, via the link emailed to you once you sign up.
- b) In school, in a space with the Teams call set up for you.

It is such an important presentation about how to keep our young people safe, and I would urge all of you to attend either from home or in school.

What to do next: email Fatima.butt@oasisjohanna.org to say that:

- a) You would like the meeting link to be sent to you. You will then need to click on this link just before 5pm on Tuesday 22nd.
- b) You would like to join the presentation at school. This will still be via Teams but can be watched in school.

Are you great at using your iPad?

Do you love creating new things?

Could you help other children learn?

Horizons

If you answered yes to these questions and you're in Y3 to Y6, why don't you apply to join the **Horizons iPad Creative Squad (HICS)**.

Help shape the use of the Horizons iPads at the school and be a champion for how they are used in class.

Easter Sessions

Family Activities Programme

In this busy city setting, our aim is to create a local community where people of all ages and situations feel included, know that they can contribute and realise a deep sense of belonging.

Welcome!

Here you'll find all the information you need to know about our activity schedule for kids and whole families across the Easter holidays.

Please see the maps for locations, and make sure to find the booking information to ensure you don't miss out!

We have a packed Easter programme and would love for you to join us.

Our aim is to get families active, have fun and get connected with one another!

We have a varied programme with something for everyone to enjoy - from sports to gardening, volunteering to play, plus a few exciting trips so get booked in!

Every week, the Hub provides outstanding education to hundreds of local children, the Foodbank puts food on the table for struggling families, we support people burdened by debt, create ways for families to grow together and encounter a supportive community, and take disengaged young people and use sport to create young leaders.

Whether it's attending the English Café, volunteering at the Small Project children's clothes bank, visiting Oasis Farm Waterloo, attending the church, or being part of our Family Activities, there's heaps of ways to get involved!
