

# Oasis Academy Johanna Newsletter

Friday 1st April 2022

[www.oasisacademyjohanna.org](http://www.oasisacademyjohanna.org)

## Dear parents and carers,

Snowy showers and spectacular sunshine... what a way to end the Spring Term! Our deciduous trees are now in blossom or in bud, however the weather cannot seem to make up it's mind.

We are now two-thirds the way through this academic year and I am very proud of the way that children and staff are working hard, catching up any gaps left from missed learning due to COVID.

## Attendance

Children are expected to come to school at least 96% of the time. Most of our children do come much more of the time, with many receiving their bronze badge (two terms) or silver badge (4 terms) for 100% attendance.

## YR Class Assembly

Due to chicken pox and stomach bugs, Reception Red Class postponed their class assembly until Thursday 21st April 9am. Please note the new date - we hope you are all able to come and see the children just after the Easter holidays.

## Year 1 Superhero Day

Year 1 will start their next theme after Easter in style with a Superhero Day. Come dressed as your favourite superhero - make your own or buy your costume, but remember we love it when you are creative and inventive with left-overs and cardboard boxes!

Have a great holiday, Happy Easter and Ramadan Mubarak to all our families!

Dawn,  
Principal

## Ramadam Mubarak!

Wafaa, Jannah and Batool led an interesting, informative assembly on Monday helping everyone to understand a little more about the Muslim month of Ramadan. We learned that Ramadan is the ninth month of the Islamic (Lunar) calendar and begins when you can see the new moon. Fasting is one of the five pillars (essential religious duties) of Islam and a time for Muslims to focus on prayer, allowing them to devote their attention to worship and get closer to Allah. Fasting is only compulsory for healthy grown-ups, though sick people and pregnant women must fast the days they miss when they are able to. We wish all our Muslim families Ramadan Mubarak.

## Bumper Wembley Edition

Such an evening of joy after days and days of anticipation... 30 children from Years 5 and 6 had the chance to visit Wembley and see England's senior male team beat Côte d'Ivoire 3-0. The children were exemplary and stuck together like glue in all the crowds!

Twitter: @OasisJohanna

## Easter Bunny Maths Hunt

KSI participated in a maths hunt where we had to solve maths problems (set by the easter bunny) hidden around the playground. We all had great fun!

## Bike-ability

It was the turn of Years 5 and 6 to improve their cycling skills this week. We were very impressed that the children were so good that they were able to go out on the roads around our school! Great to see a sustainable, healthy way of travelling and learning how to keep yourselves safe on our busy roads.

## Golden Table

Last week's Golden Table winners enjoying special service and dining in style for their good manners, use of knife and fork and polite conversation with friends. We love the example you are setting to others.

## 3-0 to England!

A group of children from Year 5 and 6 had a once-in-a-lifetime opportunity to visit Wembley on Tuesday night. It was Dawn's first visit to Wembley too and she described it as "immense". We saw the senior men's team easily stride to victory against Côte d'Ivoire, winning 3-nil. The children did very well - keeping their line in the crowds and not letting anyone push through! We had a great time, evidenced by the sore throats, croaky voices and tired eyes the next day. Thanks to Paul and Leanne for coming with us and making the trip possible.

## Sunflower Seeds

### Taking care of your sunflower seeds

When you get your planted sunflower seeds home, give them a thorough but gentle watering and let all the water drain out the bottom of the pot. Then find your pot a warm, bright spot inside to spend the Easter holidays- a windowsill is perfect! Water it just enough to keep the compost damp over the next few weeks. TIP; put your pot on a lid or dish to avoid drips on your windowsill, but don't let your pot sit soaking in water. Pour away any extra water that puddles in the tray or dish.

If you're lucky enough for your sunflower to grow tall and it looks like it needs help to stay upright, you can use a stick, chopstick or even an old pen or pencil to tie it to and support it.

Have a lovely, thriving break

Kathy

# Dates for Summer 1 (term 5) Stars of the Week

Week 1	
Club details in this Friday's newsletter	
Children return to school Tuesday 19th April	
Wed 20th April	Individual and Class photographs 4.45-6.45pm Oasis Southbank Alumni Reunion Evening for cohorts that finished Year 11 in 2018, 2019, 2020 and 2021!
