

Oasis Academy Johanna Newsletter

Friday 13th May 2022

www.oasisacademyjohanna.org

What a busy week!

Oasis Johanna @OasisJohanna · 2h
We were overjoyed to welcome F1 driver Sebastian Vettel yesterday. He opened our new Oasis Nurture therapy rooms, heard from staff why this is very much needed in school - and most importantly, spent lots of time with the children!

Dear parents and carers,

It has certainly been a week to remember here at OAJ! We have supported Year 6 through their SATs, held the final of our World Cup, welcomed international visitors from Sodexo (our kitchen contractor), author Dave Caswell and hosted F1 driver Sebastian Vettel as he opened our new Nurture therapy rooms. Thank you to all the staff in school and in Nurture for making all of this possible - what an exciting week!

Have a look at all the great photos in this newsletter and on Twitter @OasisJohanna - don't forget to retweet or send us ❤️❤️❤️.

Congratulations to all our Year 6 children who did their very best in SATs this week. They very much enjoyed the breakfast each morning. We know that these exams are not the 'be all and end all', however they do help make sure schools continue to improve standards. There is no national data again this year and whilst children will know their results, nothing will be published by Government and no league tables will be made.

Jubilee Lunch - deadline 18th May

Please make sure you have emailed info@oasisjohanna.org to book your school lunch for the Jubilee Party. Deadline to book is Wednesday 18th May. Children can bring their own packed lunch as normal, if they wish. However, if you want to change to school dinner, please email by Wednesday next week.

Dawn, Principal

Cereal or Milk First?

We had a great visit from Sebastian Vettel yesterday - and the children asked some fantastic questions. One of the production team commented that one of the children had asked perhaps the best question ever... "Which comes first: cereal or milk?". Sebastian coolly replied "cereal, obviously!" to which most of the children erupted enthusiastically in agreement. There were a few "milk first" advocates although the majority thought they were wrong!

Huge thank you to Nicky

Nicky has worked at our school for 17 years and it is with great sadness that she will be leaving us at the end of this term. Nicky said that "it's been an absolute pleasure working with 'team Johanna' for the past 17 years, but my time has come to move on." Nicky will be moving to another school and we know that she will be a blessing to them. We want to wish her all the very best for her next chapter.

2022 World Cup Winners...

And the winners are... South Africa! They beat Portugal 6-1 in a tense match, watched eagerly by pupils, staff and parents. Cheila did her best to drum up supporting chants for Portugal, but to no avail!

Each year at Johanna, we have our own version of the World Cup with children who want to play put in teams representing all of the World Cup participant countries. Every lunchtime, children play against each other in their teams, gradually knocking out teams until the final two. This year, South Africa and Portugal were our finalists and both have been popular teams from the start.

Well done to South Africa: Rakey, Malachi, Elizabeth, Kyron, Leila and Gabriel. Commiserations to Portugal: Aiden, Mate, Reya, Ayub, Fatima and Theo. Everyone tried their best and we saw great sporting behaviour from players and spectators alike!

Thanks Louise for all you do in school and on the playground, what a difference you make to our children's lives!

Dave Caswell book signing

The children thoroughly enjoyed Dave coming in and spending the day with us yesterday. Dave works for Oasis Football for Life, which was set up in 2017 to oversee and provide resources for Oasis football projects. The aim is to teach skills for life as well as football.

Dave led writing sessions with Years 4 and 5 in the morning and then helped Year 6 wind down from their final SATs paper with an afternoon of football and 9 habits learning.

If you want to read more about this amazing work, see their website: <https://www.oasisuk.org/football-for-life/>
