

Dear Johanna family:

I hope you have been enjoying the current summer weather - children and staff have been working outside in the shade when it has got very warm! It is not often that this happens in our country. We have been reminding everyone to keep hydrated by drinking water throughout the day.

Pupil Parliament

I am looking forward to reading the applications for MPPs this weekend. I will share these with classes next week and then voting can begin!

Attendance and Punctuality

This week saw the introduction of our two new trophies: one for higheset attendance and one for best punctuality.

The vast majority of our children come to school on time, every day and are well over the Government's expectation of 96% and meet our even higher expectation of 97%. Every day and very minute counts!

Breakfast & After School Provision

We have listened carefully to feedback over this year and we are going to run our own breakfast and after school provision from September. We will not run a standard breakfast or afterschool club, as we want this to be an exceptional opportunity for children to continue their wider learning - socially, emotionally, physically as well as educationally.

Please complete the survey and have your say!

Every Minute Matters

We have introduced our new Attendance and Punctuality Cups this week, rewarding the highest attending class and the class with the

fewest lates. We normally announce this on the final page of the weekly newsletter, however as it is the first week of the cups, we wanted to celebrate on the front page! Well done Orange and Blue classes, great

attendance and punctuality.

Make sure you come to school every day - gate opens at 8.50am and all children YR to Y6 can enter this way..

Wrap-around Care Consultation

We have listened carefully to parents and carers this year. It does seem that the current provision is not fully meeting the needs of all our children and families. We are going to provide wrap-around care (breakfast and after school club) ourselves from September 2022.

Please help us to know exactly what you need in terms of breakfast, after school **AND HOLIDAY** provision. There are questions about affordability so please let us know what you think are acceptable amounts to pay for this provision.

Please access the consultation here: https://forms.office.com/r/VtpEE2RhuV or scan the QR code.

SCHOOL CLOSED Friday 24th June 2022

SNAC Leaders

Our SNAC Leaders (Snack and Nutrition Action Committee) have been busy helping other children learn about healthy, balanced eating habits. This time, Y2 have benefitted from tasting lots of fabulous fruits and finding out how they are grown. Marion, one of our super volunteers, was also on hand to help out. We hope Y2 will be more willing and able to make healty snack choices in the future.

Child Friendly Lambeth

Please can as many pupils as possible complete one of the below surveys before the summer holidays begin... tell Lambeth what you think. Your voice counts!

Child Friendly Lambeth, a partnership programme with UNICEF UK and organisations within the borough, is working to prioritise young people's rights and ensure that their voices are better embedded into local decision-making.

As part of the <u>Child Friendly Lambeth programme</u>, we want to know what as many Lambeth children and young people's (up to the age of 25) priorities are for the borough, their opinions and what's important to them! We are also available to come in and speak to pupils and/or school councils to ask them their priorities (we have DBS Enhanced checks).

These opinions and feedback will inform our choice of UNICEF UK priority badges for the next few years. We will collaborate with our partners throughout the borough as well as children and young people to deliver actions against these priorities to make Lambeth a more child friendly borough.

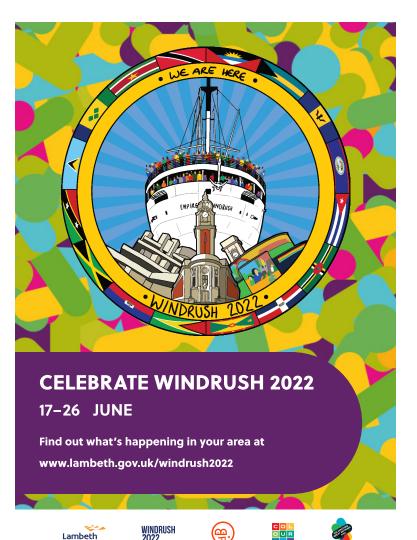

Click here to complete the Child Friendly Lambeth survey! – this takes about seven minutes to complete

<u>Click here to complete a shorter version of the above survey!</u> – this takes about three minutes to complete

Guidance:

- Surveys need to be completed by Monday 1st August 2022 latest.
- Both of the below surveys can be completed by any child or young person up to the age of 25 who lives in Lambeth.
- If preferred, adults can also guide children and young people through the survey and complete it on their behalf.
- There is also a printable version of the survey attached if this is more suitable. Please send pictures of any completed sheets to <u>childfriendly@lambeth.gov.uk</u> or let us know if you need us to come and collect them!

If you have any questions, please use the email address above and Child Friendly Lambeth will help you.
