

Dear Johanna family:

What an incredibly busy end to last term and start to this half term - we could have had 8 pages of newsletter, there's so much to tell!

Diary Dates

It is really important to check the Diary Dates section on the back page of the newsletter each week - check out the range of fantastic opportunities and events from now till summer!

Hot Weather

The sun is shining and we are set for even warmer weather over the next few weeks. All our water fountains are working and children are being encouraged to drink water regularly.

Children can wear dark grey, smart school-shorts or summer dresses and bring in a NAMED water bottle to use through the day. Please ensure NAMED jumpers/cardigans.

E-Scooters and SPEVs

As the use of e-scooters and SPEVs (small personal electric vehicles) increases, fire services have seen a rise in battery fires. In 2022, there were 227 fires associated with e-scooters and e-bikes across the UK and some of these are very dangerous fires. Given that there is such an increased risk, particularly in the hot weather from lithium batteries, we are asking children and parents not to bring electric bikes and e-scooters onto site.

More information about the risks can be found at <https://www.nationalfirechiefs.org.uk/E-bikes-and-e-scooters-fire-safety-guidance> and <https://tfl.gov.uk/modes/driving/e-scooter-safety>. If you have any questions or concerns, please speak to me.

Healthy Eating Week

Next week is Healthy Eating Week. Our caterers, Sodexo, will be doing a special menu - see bottom right. There's some old favourites as well as some delicious, new choices to try.

Dawn, Principal

Farewell Danny

Danny has worked at Johanna for many years and we are going to miss him very much! He has the opportunity to work at Coin Street full time, youth work being a real passion of his, so we know that we will see Danny from time to time. We hope that we can make closer ties with this great local organisation and work together to serve our local community.

Little Rainbow's Class Assembly

Joy was brought to our hearts as our youngest pupils bravely took the stage to share their learning this week. They confidently and enthusiastically sang 'Old MacDonald' and '5 little ducks went swimming one day' whilst helping us all to learn more Makaton signs for animals.

Healthy Eating Week

Check out the menu for Healthy Eating Week which is next week... June 12th to 16th. Trying lots of new foods alongside hearty favourites.

HEALTHY EATING WEEK - FOR EVERYONE!

Sodexo is proud to sponsor the British Nutrition Foundation's Healthy Eating Week, 12 - 16 June 2023. Using insights, our Chefs have created an exciting menu crammed with pupils' favourite dishes that celebrate the week's five messages and help us to connect the food we serve with fun, nutrition, education activities that encourage pupils to embrace a healthier future.

Y1 Tudor Banquet

As an introduction to our new topic, Year 1 had a Tudor banquet. We ate Tudor inspired food, learnt a dance and created some artwork. We also watched a very young person's version of Shakespeare's Midsummers Night Dream. Fola.

Y4 Patatas Bravas

The children enjoyed Patatas Bravas in Year 4 as a treat whilst doing end of term assessments in the last week of May. Some children found the salsa a bit too spicy whilst others complained it was not hot enough! Simon.

Oasis 2gether weekend

I'm writing to invite you to join us this June for the annual '**Oasis 2gether Weekend**' as we help provide mental health support for families in Oasis communities. We are asking everyone to come together and celebrate the end of exams by taking up a challenge based on the number 2 that suits your skills and completing it between the 16th-18th June.

It can be as easy as running or swimming 2 miles, staying silent for 2 days (or hours for smaller people), baking 20 cakes or skipping 200 times. Even your fundraising goals can be linked to the number 2, for example: £20, £200 or even £2,000.

Anyone can take part; take on a personal challenge or collectively as a team. YOU decide what you do but whatever it is, we'll all be doing it 2gether! Make sure you tag us in your posts so we can share the love #oasis2gether:Facebook @oasisuk, Instagram @oasisuk3 and Twitter @Oasis_UK

All money raised will go towards Oasis' continued efforts to provide mental health and resilience support for families in need, including – mentoring, wellness activities, whole family engagement, counselling and intervention.

Thanks so much for all your support and for everything that you give to Oasis!

Dave Parr Oasis UK Group CEO (he/him)

Y1 Art Gallery finalé

Y1 held a grand opening of their art gallery and every class came to see all their creative work based on Keith Haring. Everyone got stuck into the creative, interactive art which helped us to think about inclusion. Parents and families joined in at the end of the day to marvel at their children's creativity.
