Celebrations Galore!

Last Friday there was a fabulous buzz in school - celebrating both the King's Coronation and having our Eid Party on the same day.

Leanne did an incredible job with her security team (Paul and Sam) in ensuring our own Coronation went without a hitch - from security checks on entry, the Archbishop's sermon (Simon reading The King's Pants), fanfares and finally the crowning of the King! Thankfully our King did not have a problem with his crown fitting and the fly-by was not affected by the weather (paper aeroplanes!).

Dear Johanna family:

I was so pleased to see so many families and friends in school last Friday for our Eid party. We need to make this a new tradition each year! Thank you to all the hub/OAJ staff and Johanna Family Voice volunteers who made it possible - sorry we couldn't get pictures of you all for the newsletter.

iPad chargers

We have had iPads in school for 2 years now and each one came with a charger for free. It is important that chargers are kept safe at home so that iPads can be charged each night before school. If your charger breaks, please buy a new one. If you are not able to afford a new charger, please speak to me to discuss your individual circumstances.

KS2 SATs

Well done to all our Year 6 pupils who have worked so hard this year, catching up for lost learning in COVID to ensure they are secondary-school ready. They kept their focus this week, despite thunder storms, and I am sure that they have done themselves proud. Their tests are now all done and we hope that all their effort is reflected when the results are out in July.

Job Opportunities

Have a look at the back page for 4 great roles we have in school - pass on to those you know.
