

Dear Johanna family:

What a great end to the year - a whole host of exciting, memorable events...including Ade Adepetin visited on Monday to read his new book, music assembly and even if Carnival was a little soggy, we managed to get out onto the playground and watch the performers and samba band.

Year 6 SATs results - top of Oasis!

I am extremely proud of the staff, children and their families for working so hard in Year 6 this year. We value individual progress of children, ensuring every child makes the most progress they can. However, it is vital that as many children as possible achieve the expected standard or above - and this year we had a combined score of 82% (children who got expected level or above in reading, writing and maths). We are the top performing primary within all of Oasis, a real achievement. The bar is set very high for next year... but we know the children will work hard and do their very best.

Key things for next year:

- **Free School Meal** for all children YR to Y6, return the packed lunch form on final page if you do NOT want a cooked lunch.
- **Walking home alone Y5 and 6:** if you are walking home from school alone, return signed parent slip on the back page.
- **Late to school?** In September, we have our new electronic inventory which records all late children. Parents MUST bring children to the main entrance on Johanna Street and sign their children in using the machine.

Parent Views: Please let us know what we are doing well and what we could do better by filling in the form at <https://forms.office.com/e/bp6PnpY4AP> or scan the QR code above.

Have a great summer holiday, see you **8.45am, Wednesday 6th September.**

Dawn, Principal

Ade Adepetin visited Monday

Year 2 were very privileged to be chosen to hear Ade Adepetin's new book being read... by the author himself, live in school, before the release date! Ade is an incredible athlete, author of 5 books and TV presenter. He inspired the children, both personally and through his new book which is all about our role in helping save our oceans. His book is out on 14th September.

Y6 Leavers

Year 6 have been full of both joy and tears as they remembered funny moments, had poignant pauses and reflected on what they had learned in their time at Johanna. Their final thoughts and reflections, which are very moving, are all captured here in our newsletter. We will miss them all terribly!

During my time at Oasis Johanna, I have learnt so much. I want to thank all of my teachers for doing a good job of teaching me.

In my seven years here, I have learnt how to be respectful, ready, safe and how to use our nine habits. I have been here a very long time and I hope the younger people have the same fun I had in my time here. Thank you for teaching me OAJ.

Ahmad

Through years of great teachers and teaching assistants, I found friends and began to love this school so it pains me to say goodbye. Mate

I've only spent two years in this school. I've experienced many thanks that you could have witnessed once in a lifetime, such as being at a football match and a theme park. These 2 years have been quite a special time. Owen

In my few years at Johanna, I have enjoyed the experience of making new friends, learning lessons and much more. Years 4, 5 and 6 have been fun. I am happy to have been a student and I am also sad to leave it. Thank you to all the teachers and teaching assistants. Taha

See you **ALL** on

Carnival - we made the most of it!

We were grateful that we could get out onto the playground and that rain did not entirely stop play last Friday for Carnival. We were entertained by the Samba band, stilt-walkers and acrobats from 2.30pm and many parents braved the drizzle to join us.

The children wore their new waistcoats, generously made by Daisy Moss Faull, a graduate from Central St Martins, who works in fashion design particularly focusing on recycled and repurposed fashion. Daisy made the pattern and did a heap of cutting and sewing alongside the Lambeth Walk Crafters.

These lovely ladies from the community - Jacquie, Jackie, Yvonne, Gwen and Edith! I would go by once a week to the community center where the ladies met up for their regular sewing and knitting club - they are truly amazing ladies.

Year 1 toy appeal

Having a summer clear out?

Do you have playthings cluttering up your home that could be used in school?

We are particularly looking for:

- small world items eg farm
- tea sets / play kitchen / plastic fruit
- Any type of roleplay toys
 - dolls / action figures
 - car mat and cars
 - train track and trains

If you do have anything to share, please drop it to the office and leave your name so that we can thank you properly.

Staff leavers

We have a few staff moving on this term. We say 'fond farewells' to Lien, Khayria and Monique who have been teaching assistants and brought lots of care and warmth to their role. Fatima in the school office will be much missed, especially by those she has heard read every day! Alex will be teaching at a school near to her home. We send them off on their next adventure with love and fond memories, wishing them all the very best.

UK Parliament

Year 6 had the opportunity earlier this year to help UK Parliament make a video about politics, political processes and how parliament works, ready for UK Parliament Week 2023. Take a look at their website for the video: <http://www.ukparliamentweek.org>

Seren

I've been at the school for a long time and I remember when I did not know any of my times tables... but I know almost all of them instead of a few of them. Angel

The memory that is going to stick with me is on rainy days in Y6, we used to play choo-choo train as a class which is a memory I will cherish until the end of my life. Maroua

In Johanna, I have gained more confidence and determination. I will always remember Johanna and how you have all helped me. Amara

I'd like to give a big thank you to all of the teachers that have taught me and taken me to all the fun trips. I'd also like to thank the teachers who made the impossible possible for me. My biggest highlights are Kingswood and Pan-tastic. Thank you for making this possible. Gentian

From the day I walked into nursery clenching my mum's arms and hoping she wouldn't let go, to the moment I'm walking out of Oasis Johanna, I have enjoyed my time here and appreciated being in a comforting environment for 7 years. I have noticed, no matter how grumpy I was to wake up on a wet Monday morning at 7am, my school has always found a way to crack a smile out of me. I want to thank all the teachers for being there when I most needed it. I want to thank Louise for getting me into trials and supporting me with my football. Now I have to leave and a message I think we should leave with is... don't cry because it's over, smile because it happened. Cem

Firstly, thanks to this school for giving me a good community for learning and a safe place. I've had lots of memories of fun throughout the years. Kingswood, Chistlehurst Caves, Chessington and iPads stand out but a very big thank you to teachers and friends. Riaz
