Friday 23rd Sept 2022

## Dear Johanna family:

Week 3 already and we are well into the new Oasis Curriculum.

## Mini SLT and Prefects

We want to give children leadership opportunities whilst they are at primary school. I am very proud to announce the Mini SLT members and Prefects this week - turn to page 3! Congratulations to all these children. I was very impressed with their applications and I know that they will work hard to serve our school in their new leadership roles.

## Clubs

Sign up - last chance! We have greatly improved the range of clubs on offer this year - directly responding to feedback from parents, carers and children. Please sign your children up! All our clubs are at the cheapest possible rate, with a further reduction for those who are on Free School Meals (and those who have had Free School Meals anytime in the last 6 years). Visit <https://forms.office.com/r/FHekFNmqqY> or scan the QR code on the right to make your request.

## Harvest Festival

The weather has definitely turned and there is a chill in the air... Harvest is here too! Join us on Thursday next week for our annual Harvest assembly. Please bring a gift of tinned or packet food (with a good expiry date) which we will donate to the Waterloo Food Bank.

Have a great weekend.

## Mini SLT Training Day

Our new Mini SLT members all had the chance to go to the Oasis National Offices on Lower Marsh on Wednesday this week. They were joined by the other Mini SLT members from all the London Southeast Academies. It was a great day of learning about leadership and our responsibilities as leaders.

Adam Browne (our Regional Director) and Jill Rowe (Ethos and Formation Director) welcomed the children. Their first task was to think about which of the Oasis Nine Habits they felt were most evident at our school and they chose forgiving, self-control, joyful, humble, compassionate and honest. They created a framed collage of their work. Over break and lunch, we

welcomed all the Mini SLTs to join us on our playground. We thoroughly enjoyed making new friends - thank you Louise for helping us with some creative games!

At the end of the day, our Mini SLT were given a

project to complete over this year based on the Nine Habits. We will look forward to seeing their work over the year, collecting views from children and parents and helping to further embed the Nine Habits in our school.

**Thursday 29th September 9.05am**

## Harvest Festival

Bring tinned or packet food (with good expiry date) BY THURSDAY to donate to the Harvest Table. All food will go to the Waterloo Food Bank

## Scratch DJ

Years 5 and 6 tried out their DJ skills at a workshop down the Graffiti tunnel this week. The Scratch DJ and Beat making workshop was really fun learning how to 'scratch' with a record and make some beats on the iPad. We worked in pairs to create our own 'cool' music piece.

## Oasis Curriculum

You should have received your Class Newsletter for this half term today. Please check your email. If you would prefer a paper copy, please see the office or email [info@oasisjohanna.org](mailto:info@oasisjohanna.org) and we will ensure you get one.

The Class Newsletter gives you an overview of what your child is studying this half term. However, you might want to delve into what they

are being taught in more detail. Visit our website at <https://www.oasisacademyjohanna.org/cirriculum/the-oasis-curriculum> to read much more about individual subjects, how they link together, how the Nine Habits run through every lesson and how learning is built upon year by year.

Find out about the Oasis Curriculum Statement of Intent, how our 3C's (character, competence and community) form the basis of what we want children to learn and the latest, well-researched approaches and teaching methods we use to ensure children make the most progress they can.

## JFV Needs You!

Welcome to all our new JFV Class Reps - you are joining an amazing team who help ensure everyone's voice is heard, key questions are answered and important messages are reminded!

A huge thank you to all those who are doing this role for another year - we could not do it without you.

We have a vacancy for a nursery rep. Please see one of the Reps or your class teacher if you would like to help. In particular, we need to ensure Rainbow Class are fully represented - don't hesitate to volunteer as you will be a valued part of our school community, helping everyone to be the best that they can be!

**VOLUNTEERS** - we always need extra adults to support events. If you could commit to helping one event in the year, please see your Class Rep. Your help would be very much appreciated.

If you would like to become a parent rep, please speak to your teacher or your class parent representative.
