

Oasis Academy Johanna Newsletter

Friday 30th June 2023

www.oasisacademyjohanna.org

Dear Johanna family:

We love having so many enrichment opportunities for our pupils, especially after COVID times to help make up for any lost opportunities. There's a middle-page double spread of photos to showcase all that has been happening this last two weeks!

EYFS Sports Day - Thurs 6th July

The weather was dreadful yesterday so we postponed the EYFS sports Day. We will try again on Thursday 6th July at 9.30am, after Y2 class assembly.

JFV Donations - thank you!

We have a great parent group who fundraise each year. We have been blessed with waterguns to keep us cool in the warm weather and a massive donation of £1,300 towards the costs of trips and experiences next school year. We are so grateful to all who help fundraise, and our children are able to experience so many different things due to JFV's hard work.

J-Factor Auditions

Get rehearsing this weekend as we are holding our J-Factor auditions next week during lunchtime. The finalists will all perform in front of a panel of judges and all our Johanna family on Monday 10th July 3.30pm in the school hall. Finalists will be announced on Friday 7th July.

Strike Days

Please remember that school is open to Y5 only on Wednesday 5th and Friday 7th of July due to the NEU strikes.

School Meal Prices from September

We heard from the Mayor of London about his PROPOSAL to ensure free school meals for all primary children next year. We have not yet had firm confirmation of this and will keep you updated as soon as we know. More information can be found at <https://www.london.gov.uk/mayor-announces-every-london-primary-schoolchild-receive-free-school-meals>.

Sports Day

A great morning of sport on Tuesday as the whole of years 1 to 6 took to Archbishop's Park for Sports Day. The weather was perfect this year and there was a great turn out from the parents to support children. Well done to all the competitors, individual race winners and the parents who got involved in some running too! Year 6 were excellent activity leaders - thank you for serving the younger children in this way.

The whole school treated it with the right spirit and cheered each other on throughout. My personal highlight was Zion doing the hurdles with Cheila and Helen helping him - with both teams (his own and the opposition) chanting his name. A really great example of what makes Johanna a great place for the children we teach. See page 2 for more photos. Paul

Sport Mentors

As part of the Youth Sport's Trust National School Sport's Week, Year 6 were lucky enough to host a couple of their youth sport's mentors and do some training. We were visited by Rachel Mackenzie who has represented the UK in Thai Boxing and Boxing and is currently training to go to the Thai Boxing World Championships. A great session for the class and a great Q and A about what it takes to be a champion. Paul

NEU Teacher Strikes
School closed to all children except Year 5
on
Wednesday 5th July and Friday 7th July

World Cup: Germany won!

Huge thanks to Louise for organising this year's OAJ World Cup. In a tense final, Germany won 4-1 against Spain. Madison collected the 'Player of the Tournament' medal for her brother Mendel who sadly was absent on the day of the final. Children have loved this competition and we are looking forward to next year already!

St Giles

Turning a past into a future

Thanks JFV!

So grateful for our water guns to help keep us cool in this hot weather, thank you JFV!

Y6 Gang Workshop

On Monday, year 6 took part in a workshop led by Jacob Riggon from St Giles Trust. He taught us about the qualities of a good citizen and why citizenship is important. Following this, he told us about gangs, why young people get involved in gangs and how to make sure that we don't get caught up with groups of people who pretend to look out for our wellbeing, but in reality, are not our friends. It was a powerful presentation which left us with lots to think about. Leanne

Old Vic Workshop

Year 6 enjoyed a drama workshop led by a group of wonderful people training to be facilitators at the Old Vic. We were very happy to be their 'practise group'!
