

Dear Johanna family:

The weather is turning a little chillier and it is good to see warm coats being brought to school. It is great to see the regular parent coffee morning taking place and all parents/carers are welcome to attend on Friday mornings 9am.

We also welcomed our National Primary Director Chris, who was very pleased with how well the new curriculum is working and the children all making much more use of their iPads for learning.

Rail Strikes

We understand that this coming week sees several rail strikes that could impact on transport to and from school, particularly on Wednesday 5th October. The journey might be more difficult, including needing to get earlier buses as these will be busier. Please make every attempt to get to school as early as you can.

Clubs - Drama

We will be having KS1 and KS2 drama groups on Thursdays after school 3.30-4.30pm. The cost is £4 per week (FSM £2 per week). If you would like your child to attend, please email info@oasisjohanna.org.

Harvest Festival

Thank you to Rebekah for leading our assembly and to everyone for the generous gifts of tins and packets for our harvest table that everyone brought in yesterday. The table looked glorious and I am so proud that we will be able to donate all this food to the Waterloo Food Bank.

Have a lovely weekend.

Calling all volunteers!

Schools are not buildings, but a group of people all working hard together to help children and families. Our vision is for "a place where everyone is included, making a contribution, and reaching their God-given potential".

We have lots of amazing volunteers - reading with children, helping with key events and running the WhatsApp groups as part of Johanna Family Voice. We would love for some more volunteers to help join Kathy in our garden.

- Do you have green fingers?
- Do you have a flat and cannot garden easily where you are?
- Do you want to join a group of like-minded people and help children to garden at lunch or after school?

Email info@oasisjohanna.org or speak to Dawn on the gate for more information.

Harvest Table

Rebekah from Oasis Hub Waterloo led our Harvest Assembly this week, on a gloriously sunny day, exploring the theme of thankfulness. We thought about all the good things we have and all the things we can share. Children had many ideas from sharing watermelons to sharing love!

We learned about the journey our food parcels will go on very soon. Rebekah explained it will be taken to a sorting centre, where it will be boxed up into parcels, and then delivered to a community centre to to individual houses by the foodbank drivers.

Thank you to everyone who brought a gift to the harvest table. These will all go to help people who are in our local area.
