Year 3 Bright Sparks

In music lessons this term, Green Class have been working on the Bright Sparks project in collaboration with the London Philharmonic Orchestra.

On Wednesday they went to watch the orchestra perform the piece that they have been working on - Appalachian Spring by Aron Copland. It was a really exciting concert, in which children got to see and hear all the orchestral instruments, as well as hearing the familiar rhythm patterns and different elements of music that they have been learning about in class.

It was a fun, interactive concert and Y3 joined in with singing and used actions to respond to rhythms and sounds that they could hear. A fun morning at the Royal Festival Hall.

Dear Johanna family:

The sun is shining on the ending of a short week and I hope you all enjoyed the bank holiday and the chance to make the most of the extra day.

Next week is a very important week for our year 6s who will be taking their year 6 SATs assessments. They have put in the work to prepare and I'm sure they will absolutely fly next week.

The forecast for the weekend is looking beautiful so enjoy the sun and get plenty of rest ready for the last couple of weeks of term.

Oasis Encounter

Another reminder that the Oasis Encounter programme is currently open and accepting self referrals.

Nurture HeART Room Opening

This week saw the official opening of the HeART room for Nurture.

This room will become a hub for art activities with the Nurture team. It looks great with a beautifully designed paint job inside and should be a wonderful addition to the school for years to come.

Coping with Exam Stress

Next week sees the start of SATs week for the year 6s at school and I'm sure many older siblings will be entering the exam season with GCSEs and A-Levels. Here are some useful tips to help cope with the stress of exams and how to work with children who are in the midst of revision.
