Harvest Collection

On Wednesday we had the pleasure of hosting Lillie-Mae and Rachel from the Oasis Waterloo Foodbank to lead our Harvest Assembly. They told us that the Waterloo foodbank helped over 27,000 families in our local community and the food our families kindly donated this week will go to support that effort. Thank you for all your support and to those parents who came to our assembly.

Dear Johanna Family,

More wintery mornings this week so please make sure that children are bringing coats for outdoor play times.

This week, I have had the pleasure of meeting with both the Johanna Family Voice and the Waterloo Hub Exec team and we have put some thought into how we can improve the school to best serve the children and families we work with.

INSET DAY 18th October—School Closed

Staff Career Professional Development

CPD for staff brings enormous benefits for staff. We've had three really powerful bits of training this week. First, teachers in Key Stage 2 had the opportunity to visit Oasis South Bank to see some of the great teaching there, then we had training from the Local Authority on Prevent and finally our Key Stage 1 and Early Years teachers had the opportunity to visit the Unicorn Theatre for training on bringing further creativity in the curriculum.

We have seen so many brilliant strategies to improve teaching and learning at Johanna.

Extra Curricular Clubs Consultation

At Oasis Johanna we want a good range of extra curricular clubs and believe that these can help teach children a range of skills outside the national curriculum and expand children's interests. Due to a range of reasons, there are currently very few clubs on offer at Johanna. In the interests of these returning as soon as possible, I would like to gather the opinions of as many parents as possible about what we could offer and the possible barriers. Please complete the form by scanning or tapping the QR before Monday 21/10/24.

Thank you for taking the time to help make Johanna the best school for all of us.

World Mental Health Day

Thursday was full of all the colours of the rainbow and it was fantastic to see the children in their own yellow and bright clothes on Thursday for World Mental Health Day.

World Mental Health Day is held annually on the 10th of October and it is to recognise the importance of mental health as well as physical health.

Thank you to all who donated in the morning and afternoon and all the money raised will be donated to the YoungMinds charity next week.
