

# Oasis Academy Johanna Newsletter

Friday 15th November 2024

## Sharika

After 16 years at Johanna as a parent, teaching assistant, class teacher, assistant principal, and SENCO Sharika has decided that now is the right time to seek something new.

Most recently, she has been invaluable in setting up the resource base as SENCO. Gold class has become an inspirational pocket of the school where, under Sharika's leadership, the team and children have thrived.

She will be missed as a member of the school team and we wish her well in whatever comes next.

Looking forward, we are seeking to appoint an experienced SEND teacher in Gold Class and a SENCO to lead SEN across the school. More on that in due course.

## Dolly Parton's Imagination Library

I didn't guess that I would ever write a newsletter article including Country Music Legend Dolly Parton but here one is. Dolly Parton's imagination library has gifted over 250 million books to children around the world and is available in Lambeth. Unfortunately it is only available for children aged under 5 but some of our youngest children and siblings can be registered to receive free books in the post.

Please register by clicking the link [here](#) and using the check availability button in the top right of the page.

Dear Johanna Family,

Another busy week at Oasis Academy Johanna with Anti-Bullying Week and Remembrance Day dominating discussions across classes.

A couple of things to highlight this week. Please give feedback on the school name consultation by clicking [here](#) and also please continue to book parent's evening appointments for the 27th and 28th of November. It is important that we see every family so please book an appointment or arrange with your class teacher to see them at another time.

Year 5 will be on the 26th and 28th.

# Anti-Bullying Week

This week was national anti-bullying week. On Tuesday we wore our odd-socks to highlight the fact that everyone is different. The theme of anti-bullying week is Choose Respect.

In our assembly on Thursday we spoke about bullying and what it is. The anti-bullying alliance defines bullying as:

The **repetitive, intentional hurting** of one person or group by another person or group, where the relationship involves an **imbalance of power**.

If you or your child is worried that they or someone they know is being bullied, please inform a member of school staff.
