Dear Johanna Family,

A rare Thursday newsletter this week as (and here is your last reminder) the school is closed on Friday the 18th for staff INSET.

Next week will be busy one for year 6 who are going on their residential to Kingswood. We will include lots of photos of the week away next week.

INSET DAY 18th October—School Closed

Extra-Curricular Clubs Consultation

Please take this opportunity to have your say in shaping extra curricular activities at Oasis Johanna. We currently have just over 40 children accounted for here, so a little under a quarter of the school. The survey closes on Monday and then we will share more information about the results and plans next week.

Please note, this is an anonymous survey and if you have specific information you want to share, please let us know.

Year 5 Art Work

Year 5 artwork influenced by Oasis Belgium and the work of Rene Magritte who would take everyday objects and put them in places they weren't usually found. We took some of our favourite things and put them over our eyes and self-portraits.

School Closed INSET Day

Punctuality

While attendance has been good for a number of weeks, punctuality remains a challenge. Despite being back at school for 30 days, we have had 413 late marks and over 50 hours of lost learning time.

Please remember, the school gate opens at 8.45. Anyone arriving after 8.50 is registered as late and after 9.15 is registered as an absence for the morning.

Art Year 2

Some beautiful art work from Esme in year 2 exploring tone using pastels. The class used blending to shade circles moving from light to dark. I am sure you would agree that this is a fine technique that can then be applied to other work.
