Friday 20th September 2024

## Extra Curricular Clubs

Extra curricular activities are an important part of school life. We have a partnership with Mark who provides many of our school activities. Until recently, the school has managed the payments of these after school clubs which has had an impact on staff workload and school finances.

We have taken the decision for these clubs to be paid for directly to Mark but currently sign-up numbers are too low to run the clubs. It would be a shame to lose football, judo, dodgeball and multisport after many years providing this.

If you would like to sign up to clubs, please do so ASAP by contacting [Info@newcrossmartialarts.com](mailto:Info@newcrossmartialarts.com).

If you would like more information about this, please contact the school office and we will answer any questions.

## Nurture Update

We're thrilled to kick off the new term, and I'm excited to let you know that Nurture sessions will be up and running again! It's fantastic to see the children settling back into school, and we're here to help them build confidence and focus as they dive into their learning.

This term, we're welcoming some new practitioners to our Nurture team, who will be working alongside our existing staff to support your children. We're also excited to announce the return of our lunch clubs! We've added fun new activities to give children even more opportunities to get creative and engage with their peers.

We'd love to catch up with you, to share how your child is progressing in Nurture, hear your thoughts, and update you on what we've been doing in sessions. If you'd like to chat, feel free to reach out. If we haven't spoken recently, you can expect to hear from us soon with an update on your child.

## Welcome Back Meeting

Monday 23rd September @ 2.30pm

Dear Johanna Family,

Two weeks in and firmly in the flow of the new year now. It's a delight to walk around the classes and see how settled things are.

Beginner cycle training starts next week, so please remember your bike and helmet if you've signed up

### Drop Off and Pick Up Parking

In the attempt to be good neighbours with local residents, I am asking parents to be mindful of parking the morning and afternoon around pick-up and drop off time. The flats opposite the school are residents only. Please be mindful if you must drive to school.

### Welcome Back Meeting

Please be reminded of our welcome back meeting on the 23rd of September in the school hall. at 2.30.

### Flu Vaccination

We will be undertaking flu vaccinations from Reception to Y6 in December. In order to receive a flu vaccination, you must fill in the e-consent form here: <https://sav.hrch.nhs.uk/flu/2024/lambeth>.

# Year 3 Local Area Walk

Year 3 are learning about local history and started their topic by learning about how London used to be a wet, soggy marshlands and this is why our school is on a road called Lower Marsh. They walked together to go and see the plaque explaining some of the history and see the exhibition of old photographs along the road.

# Gold Class Art

We always love a bit of art in the school newsletter and here are some wonderful pieces created using different mediums. Paint, playdough and pastels all being used by the children of gold class. Looks amazing!

# Key Dates
