## Nurture News

Happy Friday, from Nurture

Wednesday 27th during the parents' meeting in the hall, you'll get a chance to meet our Nurture Practitioners. Pop by and say hello—we'd love to see you there!

Also, a quick reminder about our **Winter Hampers**. If you'd like one, check your email and fill out the form that was sent earlier this week. It only takes 3 minutes! Hope to see you next week!

Dear Johanna Family,

Chilly mornings this week as very wintry weather settles across the school. Please make sure that children are wrapped up warm as playtime and lunchtime will go ahead as usual.

A lot of events coming up in the next few weeks so please make sure you check the Key Dates section of the newsletter.

## Lockdown Procedures

We are currently reviewing our process around a school lockdown. Given our proximity to Central London, it is important that we have a plan in place should we need to secure the school and the children. Like a fire drill, this is something we have never had to use but it is best to be prepared.

During a lockdown:

- a whistle is blown by members of Senior Leadership,
- Staff secure the classroom doors and windows and close any blinds,
- Children go under tables and wait for the all clear.

We will be having a lockdown drill before Christmas.. We will brief children about what to do, please talk to children about this at home and contact a member of the leadership team if you have any questions.

## Parents' Evening

Please continue to book parents' evening appointments for the 27th and 28th of November. It is important that we see every family so please book an appointment or arrange with your class teacher to see them at another time.

Year 5 will be on the 26th and 28th.

## School Name Consultation

Please continue to give feedback on the school name consultation by clicking [here](#). This consultation will close on Friday 29th November at midday.

FREE EVENT

# Building Access

In order to build children's independence and keep the building secure for everyone, we ask all parents to drop off at the door and allow children to enter the classroom independently.

All children, even in Early Years, know where their coats and drink bottles go and staff are on hand to support pupils if they need it.

# Keyboard Lessons

Any parents who are interested in signing up for weekly keyboard lessons at school, now is the time.

These lessons take place on Thursday Morning during school time in small groups.

If you have had lessons before and would like to continue, please remember to sign up using this link.

# Gold Class Art

Following Kandinsky circles and continuing the colour theme, the children have adapted Jackson Pollock's 'vibrant drip painting'

The framed work was achieved by swishing diluted paint on to white paper. The self-portraits with 'crazy coloured hair' again using diluted paint, this time, focusing on the primary colours and this was achieved by blowing through a straw to move the paint.
