Bright Monday brings us together

Thank you to everyone who came to and supported our Bright Monday event, it was a terrific success! We raised almost £200 from the prize draw and uniform sale but most important brought our community and Johanna family together.

Special thank you goes to Michelle for the prize draw support, Maxi for the beautiful balloon arch, Sonya and the community hub, Sheldon helping at our uniform sale, all the parents who made food including Maria, Waffa and Jenny, the Nurture team for the fantastic facepainting, all the parent volunteers who helped at short notice, including Lily and Ardita, plus school staff and especially Leanne and Raquel for coordinating.

Dear Johanna Family,

I hope you will have seen the separate letter to parents and carers sent out today to inform you of the publication of the school's new Ofsted report.

I encourage all in our community to take some time to read the report and reflect on its findings. The great positives detailed are as a result of everyone's efforts to support the school, including parents, carers and families.

There is also work to be done. We will make sure all areas where we can improve are addressed as a matter of priority and that work has already begun.

I look forward to continuing hearing your views and comments and appreciate the feedback I've already received on the school. I will be attending the next community hub coffee morning on Friday, 31st January at 9am and as always will be available to chat on the gate or via booked meetings.

Welcome Sharlene!

This month we say a huge Johanna welcome to our new SENCo—Sharlene Calliste.

Sharlene has a wealth of experience working with and supporting children with SEND and is looking forward to getting to know our children and families.

I know you'll make her feel welcome as a new part of our Johanna family.

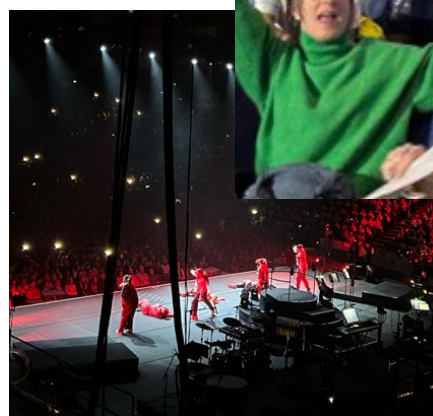

Attendance

Well done to Yellow and Green class for getting to 95%+ attendance. We understand this time of year is always a struggle with bugs and virus', but if there's any thing we can do to support your child getting back to school, please let us know. We're here to help. Overall attendance for last week was 89%.

Indigo Young Voices trip

On Wednesday, year 5 attended the O2 and took part in 'Young Voices' where they became a part of 'the world's largest choir'. A huge thank you to all the staff members who supported the trip into the night and to the parents who also attended. Everyone had a fantastic time, although I'm sure some were understandably a little sleepy on Thursday morning...!

Orange class learning

Year 1 have been using “scissors like pencils” this week to create snails inspired by Henri Matisse collages and paintings. Try making your own at home using coloured paper or old packaging!
