Winter Windows

For the second year in a row, we were invited by Squire and Partners to take part in the Winter Windows project creating lights for The Southbank Centre overlooking the Thames.

Created by the year 6 class with support from the designers at Squire and Partners, these are now there for all to see alongside the 5 which were created last year. Go and have a visit—they look much more impressive in real life.

Dear Johanna Family,

Christmas is fast approaching now and the school is getting increasingly festive as the Elves have decorated the school. The Christmas post-box has appeared in the school foyer to send Christmas Cards to classes.

Parking

We put a message in the newsletter at the end of September about parking in the nearby residents areas. Please be mindful of the neighbours of the school and do not use resident parking bays near the school.

Photo Permission

We are seeking to reconfirm photo permission at the school for all children. Please complete the form below to ensure we have accurate and up to date photo permissions.

Keyboard Lessons

Learning an instrument has huge benefits in all sorts of ways including increasing memory and improving reading skills!

We would love children to take part in keyboard lessons so have extended the chance to sign up until the 11th December. Please support this opportunity in the school by taking part in lessons.

Scan the QR code and follow the instructions if you would like to sign up.

If you have had lessons before and would like to continue, please remember to sign up using this link.
